

# Combine Rebates & Save

Limited Time Offer – Ends 11/13/19!

An Exelon Company

## Watch your savings multiply with two times the rebates!

Upgrade your heating and cooling system now to take advantage of rebates up to **\$1,530**.\*

Don't wait until your old equipment fails. Replace your heating and cooling system now and save even more with rebates from *both* PECO and the Electrical Association of Philadelphia (EAP). To receive *both* rebates, work with an EAP participating contractor and sign your contractor agreement by **November 13, 2019**, for the purchase of qualifying ENERGY STAR® certified equipment. Your equipment must be installed by **December 4, 2019**.

SEER = Seasonal Energy Efficiency Ratio, EER = Energy Efficiency Rating, HSPF = Heating Seasonal Performance Factor, AFUE = Annual Fuel Utilization Efficiency, EF = Energy Factor

\*Examples above show total rebate amounts based on 3-ton systems. PECO rebate amounts are subject to change, and amount will vary based on equipment. Must apply for PECO rebates within 90 days of purchase. Your PECO rebate check will arrive in the mail within 4 to 6 weeks. See full terms and conditions at [peco.com/rebates](http://peco.com/rebates).

\*\*EAP offer valid only for contracts signed between August 7 and November 13, 2019, and with equipment installation on or before December 4, 2019. You must work with an EAP certified contractor. EAP rebate appears as an instant discount on your invoice.

<sup>†</sup>Rebate amounts vary based on efficiency ratings and single-zone and multi-zone ductless systems. Example shown is for a multi-zone (20.0 SEER, 12.5 EER, 9.6 HSPF) unit. Speak to your contractor to determine which system is right for you.
