Customer eligibility

- ✓ PECO customers who have chosen an alternative electric energy supplier can qualify for PECO Home Rebates.
- ✓ You must currently receive residential electric service from PECO and are having maintenance performed on a central AC or air-source heat pump.
- ✓ Ductless Heat Pumps are not eligible.

Note

Use this form if you have received HVAC maintenance in your residence and are the:

- Owner of your residence and PECO Residential Electric account holder
- Or Tenant and PECO Residential Electric account holder for service to your rental unit
- Or Condominium Owner and PECO account holder for residential electric service to your unit
- Or, if you are a residential landlord whose tenants' units are individually metered, please provide the PECO account number where the maintenance was performed. Do not use the PECO account number for the building's common area lighting. If you do not know your tenant's PECO account number please leave it blank. Provide the tenant's name, address, and unit number in the installation address information field.
