I want to receive emails from PECO about other ways to save energy. I understand that I can unsubscribe to these messages at any time and that my email address will never be shared.

Rebate Eligibility Requirements:

1. All eligibility requirements must be met to qualify.
2. Maintenance must be on an air source heat pump at a residence that currently receives PECO residential electric service.
3. Each maintenance check must include the following tasks, and documentation of these four steps must be included on contractor invoice:
 - Check refrigerant charge level and correct as necessary.
 - Inspect and clean or replace filters as needed.
 - Inspect blower and motor. Document lubrication if needed or write lubrication N/A.
 - Inspect and clean condenser and, if accessible, evaporator coil.
4. Customers who have chosen an alternate electric supplier are still eligible.
5. Maintenance on ductless heat pumps is not eligible for a rebate.
6. One rebate submission per calendar year per system.

Terms & Conditions

- This program term is January 1, 2024 through December 31, 2024.
- Documentation must include the completed, signed paper rebate application or online application and include a dated, paid receipt that lists the retailer/contractor name, address, phone number, product name, complete model number, installation date and efficiency information. Customers are responsible for any taxes associated with the receipt of a rebate.
- PECO is not responsible for items lost or damaged in the mail.
- By submitting your rebate application, customer agrees to potential verification selection. If your rebate application is approved, and customer is selected for verification, customer agrees to allow PECO or its agent access to the installation site to verify the qualified product. Failure to provide access may result in denial of the rebate request, or refund of rebate if already paid.
- Selection of qualified product, manufacturer, dealer, supplier and/or installer and purchase, installation and ownership/maintenance of the qualifying product referenced in the rebate application are the responsibility of the customer. PECO does not endorse any specific manufacturer, dealer or contractor and makes no representations regarding specific manufacturer, dealer or contractor or their workmanship. PECO makes no warranty for the use of the qualified product, and customer agrees that PECO has no liability concerning the quality, safety and/or installation of the qualified product, estimated energy savings of the qualified product, workmanship of any third parties or use of any qualified product.
- Customer is responsible for meeting program requirements and complying with all government, property owners, homeowner's association, or other requirements regarding restrictions, codes, ordinances, rules and regulations concerning the qualified product installation.
- Funds are limited and subject to availability. Rebate amounts and this rebate program are subject to change, including termination, without prior notice.
- If you checked the box (on page 1), you have given us permission to send you promotional material and information regarding PECO energy efficiency programs. You may unsubscribe from these communications at any time by following the unsubscribe link in the email.
- By participating in this rebate program, participant agrees that PECO shall hold any capacity rights associated with demand savings created by participation in PECO's energy efficiency programs. PECO may use such capacity rights to participate in the PJM capacity market with the net proceeds of such participation returned to PECO customers.
- By participating in this rebate program, the Customer applicant agrees to abide by and be bound by these Terms and Conditions, and acknowledges that the decisions of PECO are final in all respects.
